

ROBERT W. “BOB” HULL

**VICE PRESIDENT OF THE ASSOCIATION OF FORMER INTELLIGENCE OFFICERS
TOM SMITH NEW MEXICO CHAPTER
AND
FORMER TECHNICAL DIRECTOR
UNCONVENTIONAL WARFARE DEFENSE PROGRAMS
LOS ALAMOS TECHNICAL ASSOCIATES INC. (LATA), LOS ALAMOS, NM**

In the 1960's Bob was a member of the US Air Force Security Service (USAFSS) in military intelligence and counterintelligence operations/analysis monitoring activities related to the Soviet's Prague Spring invasion, Crimea, and Cuba. Although he left the service for a few years he returned to duty as an officer in the USAF Reserves while earning an advanced degree from Stanford University. He was activated with his unit for the Iraq War's Desert Storm/Desert Shield Operations. As a private citizen he has been and remains a consultant to various US government agencies, including the Department of Energy (DOE), the Nuclear Regulatory Commission (NRC), the Defense Threat Reduction Agency (DTRA), and the US State Department (DOS) on various scientific issues including those related to unconventional warfare. For several years he was the Lead Instructor for Chemical and Biological Weapons Technology working for Dr. Hans Blix supporting the United Nations Monitoring, Verification and Inspection Commission (UNMOVIC) and weapons of mass destruction inspections in Iraq.

He has been an invited speaker at many private, State and Federal government-sponsored Homeland Security conferences and workshops and is a member of the US DOJ, NM District Anti-Terrorism Advisory Council, and the US OPM, Federal Executive Board - Emergency Preparedness Committee. In his spare time, Bob is Vice President of the Bradbury Science Museum Association (*Your Window into Los Alamos National Laboratory*), and Chairman of the Board for the US DOE's Northern New Mexico Citizen's Advisory Board.

He currently lives in Los Alamos, NM and is a corporate manager for Los Alamos Technical Associates Inc., a spinoff company of the Los Alamos National Laboratory weapons program.
