Subj: LETTER OF RECOMMENDATION ICO MIDN RHETT PETRENKO

1. MIDN Rhett Petrenko has my highest recommendation for your organization's scholarship among my Marine Corps option midshipmen. He has demonstrated success academically, physically and military and I am confident his achievements will buttress a great career in the United States Marine Corps.

2. Frequently achieving near-maximum physical fitness test scores, MIDN Petrenko sets the example for many junior Marine options in the program. Additionally, he has held multiple leadership billets including platoon commander and volunteers regularly for battalion events.

3. In addition to a strong military performance record, MIDN Petrenko has earned a 3.61 cumulative GPA which is the highest among Marine options in his year group.

3. In all areas, MIDN Rhett Petrenko sets the standard for Marine options in our leadership development program. He has the interest and commensurate ability to serve his country as an intelligence officer in the United States Marine Corps, and thusly has my recommendation for your program's scholarship

4. If you have any questions, please contact my Nuclear Programs Officer, LT Travis Bean, at 505-277-7035 or tfbean@unm.edu.
