

AFIO NM Newsletter

This newsletter is not in the usual format because Pete has had computer problems and asked me to write a short newsletter.

Our next meeting will be Dec. 10, 2014, at “The Egg & I” starting at 11:00 am. There is no scheduled speaker for this meeting so it will be a round table discussion of whatever the members would like to discuss. There are plenty of possible topics from the news: border security, amnesty, police use of force, grand jury decisions, ISIS, Ukraine, China’s military advancements, protection from EMP and power grid attacks, NOIR, and many others. Also, if anyone has the urge to speak on one or more of his/her experiences in intelligence/law enforcement/security/military activities it would provide interesting material and give everyone a chance to find out the diverse backgrounds of our members. This is your organization and we can explore any issues we wish.

We have some really interesting speakers lined up for early next year but they were unable to present at this months meeting.

I sincerely hope that everyone can attend this last meeting of 2014.

Sincerely,

Mike Ford
