

AFIO NM Chapter Colleagues and Friends -

Chapter elections are upon us, and must be held at our next meeting on 11 May. I ask each of you to do the following:

1) Send your nominations for a) President, b) 1st Vice President, c) 2nd Vice President and d) Treasurer to our current Treasurer, Judith Mead by email [j.w.mead@comcast.net] or snail mail [1515 Soplo Rd SE Albuquerque, NM 87123] right away.

2) If you cannot be physically present at the meeting, **you may vote** for the candidates of your choice by email or snail mail to Judith.

Incumbents who are standing for reelection are: Pete Bostwick for President and Jerry Monahan for 2nd Vice President.

This is your biennial opportunity to vote for your Chapter officers. You can vote for continuity or for change--whichever strikes your fancy--but it is imperative that you DO vote.

Ergo, I urge each of you to put your preferences in writing to Judith, and ensure she receives them before the meeting date of Wednesday 11 May, in order for your votes and nominations to be counted!

As for other business, there is obviously no shortage of topics for us to discuss, this month, and we can engage in our usual, spirited discussions after we get this important chapter business out of the way.

Each member of this chapter plays an important role in its success, whether you support it by attending the meetings or by maintaining your active membership and participating via emails and phone calls. Whatever your inclinations, your support is important.

Thank you,

Pete Bostwick, President
